

BAYA ZERROUKI

Engineering Student at ENSEEIHT

06 11 66 54 06

baya.zerrouki12@gmail.com

Toulouse / Paris

LinkedIn :

E-portfolio : https://baya-zerrouki.github.io/

SKILLS

- **Programming & IT :** Python, C, Proficient in Microsoft Office Suite
- **Design & Engineering:** SolidWorks, Onshape
- **Languages :** English (B2) Spanish (A2), French (Native)

SOFT SKILLS

- Attention to detail
- Curiosity & eagerness to learn
- Team Work
- Reliability

INTERESTS

- Sport : Volley, Football …
- Drawing : Digital and traditional drawing

PROFESSIONAL SUMMARY

Currently an engineering student at ENSEEIHT specializing in Electronics, Electrical Energy, and Automation (3EA). Passionate about electronics and energy, I aim to leverage my academic background to gain hands-on experience and expand my technical knowledge. With this in mind, I am actively seeking a 6-to-8-week internship in the aerospace industry.

EDUCATION

2026-2029 – Engineering Degree

Major : Electrical Engineering, Electronics & Automation (3EA)

Enseeiht, Toulouse

2024-2026 – Preparatory Classes (CPGE) : PCSI/ PSI

Lycée Saint Louis, Paris

Project : Design and realization of a 2-axis mechanical video stabilizer.

2024 – High School Diploma

Majors: Mathematics and Physics-Chemistry.

Honors: Highest Honors with Jury Commendation

PROFESSIONAL EXPERIENCE

January 2021 : Observation Internship - Pharmacy

- **Inventory Management:** Handled computerized inventory tracking, including product restocking and traceability.
- **Reporting:** Authored a comprehensive internship report detailing practical learnings, personal observations, and inquiries about the pharmaceutical profession.
